This workbook accompanies zoom one as shown above.

Please work through the sessions in the order shown in the table above. So, please watch the video presentations for session one and two before attending this first zoom session.

Please use this zoom workbook as your guide to zoom 1. It will support note taking for activities and videos.

## Zoom 1. Good Practice – what does it look like?

This zoom gives you the opportunity to ask any questions you may have and supports group discussion about effective practice.

Space for your notes: **playing the dog needs to go to the vets**

Space for your notes: **Helping Kyle tidy-up**

Space for your notes: **Any Questions?**

### Any Further Questions

Please let us know if you have any questions or suggestions. We will be delighted to hear from you.
